Eric -

I mentioned a possible meeting place for our PH retreat awhile ago, couldn't find the information, and promptly forgot. But now I'm hearing that we will have our ATSDR-EPA-DHS-DEQ coordination meeting (two days) at the Clearwater resort in February. Apparently they have good facilities for meetings and good government rates in the winter. And although closer to Seattle, it's not too far from Portland. So in case things aren't working at Evergreen, you might want to check them out.
